

Savannah Wheelie

Bike Ride

Sunday, July 20

5:30 p.m.

**Skidaway Island
State Park**

Join the Savannah Bicycle Campaign for a ride around Skidaway Island. The ride will begin at the picnic area in Skidaway Island State Park and move on through to the Landings. This 7 mile ride takes us through the woods of the state park, over a bridge through the marsh and past a few golf courses along the way. We will return to the State Park for a cookout at the end of the ride so plan on hanging around and eating some food with us. The ride and the cookout are free, but there is a \$3 per car charge at the State Park (of course if you come on your bike, there's no charge).

The more the merrier!
